BAYT AL-HIKMA

THE HOUSE OF WISDOM

A NEW CHAPTER OF DIALOGUE
BETWEEN EUROPE AND THE GULF.

INSPIRED BY FLORENCE. CONNECTED BY DIALOGUE.

Inspired by the Florentine Renaissance and Bayt al-Hikma – the House of Wisdom in Baghdad – the Florence Humanism Dialogue revives one of humanity's oldest traditions: bringing exceptional people around one table to exchange ideas, build trust and create lasting partnerships.

Launching in Dubai in October 2026, the Dialogue brings together carefully selected leaders from business, finance, government, philanthropy, culture and academia to strengthen the relationship between Florence and the GCC.
